EMPLOYMENT

Authorised to work in the UK
EU Pre-Settled Status
Enhanced DBS - cleared

Rolando Valdes Hernandez

PROFESSIONAL SUMMARY

Computer Science educator with more than 20 years of teaching and educational technology experience. Currently teaches Years 5-13 at Farlington School, combining curriculum leadership, adaptive teaching, assessment analysis, AI-supported learning and boarding pastoral care. Experienced in preparing learners for OCR and AQA Computer Science qualifications and using assessment evidence to target intervention and improve progress.

WORK HISTORY

Computer Science Teacher & Boarding House Tutor

Farlington School, Horsham | 01/2025 - Present

- **Teaching scope:** Deliver Computer Science across Years 5-13 (KS2-KS5), from digital literacy and computational thinking through GCSE and A-Level Computer Science.
- **Curriculum & assessment:** Align teaching and assessment with OCR and AQA specifications; create bespoke coding, algorithm and problem-solving resources and use assessment data to identify gaps.
- **Adaptive teaching:** Differentiate for mixed-ability classes, including targeted scaffolding for SEN and EAL learners.

Selected accomplishments - 2026 external examination outcomes

- **A-Level Computer Science (OCR H446):** two of three candidates achieved high grades, with one A (268/350; 76.6%) and one B (239/350; 68.3%).
- **GCSE Computer Science (OCR J277):** 10 of 13 candidates achieved grades 4-9 (76.9%), including five candidates at grades 7-9 and a highest result of grade 9 with 141/160 (88.1%).
- **High-end attainment:** GCSE results included one grade 9, two grade 8s and two grade 7s.
- **Qualified Teacher Status:** Successfully completed the Assessment Only QTS programme with Ambition Institute and obtained QTS in 2026; certificate expected to be available in January 2027.

Computer Science & Mathematics Teacher

Lancing College, Lancing | 06/2024 - 12/2024

- Delivered A-Level Computer Science and supported Mathematics teaching, including interdisciplinary STEM activities.

ICT & Mathematics Teacher

Robert Clack School of Science, Dagenham, London | 09/2023 - 05/2024

- Delivered ICT/Computer Science and Mathematics lessons and supported student progress across KS3 and KS4.

Self-Employed Tutor

Complete Remote Services (SCRS), Liverpool | 08/2017 - 09/2023

- Provided personalised online tutoring to more than 30 students.
